

## MEETINGS BELGIUM

BIBLICAL TEACHING, MENTORSHIP, DISCIPLESHIP JOHN 2:14 | PROVERBS 20:29 | I TIMOTHY 4:11-12

## The vision

At the heart of the vision for these Men's Meetings lies the conviction that investing in ministry to men of God is essential for the growth of the body of Christ. It is a unique gathering for godly men who desire a clearer vision of God's will for the present day. Through Biblical teaching, mentorship, and discipleship, we want to encourage men to serve Christ in all aspects of their lives: on the job, at home, in families or the church, wherever God has called us to serve. May these meetings have a lasting and profound effect upon your lives is our sincere prayer.
